

## Will you be a hero for a greyhound?

Each spring, local businesses come together and sponsor Fast Friends Greyhound Adoption's Road Race & Pet-Friendly Walk. In addition to providing top-notch care for the approximately 40 greyhounds that are at Fast Friends at any given time, last year's sponsorships helped several very special greyhounds, including one named Tony.

Tony was diagnosed with bone cancer this summer. Tony's diagnosis was devastating, but he had one hope: a lifesaving amputation. As you can see from the photo below, Tony recovered from his surgery and is happy, healthy, and cancer-free! The support of people just like you enabled us to give him this second chance at life.

Sponsorships of the Race & Walk enable Fast Friends to do something else very special. **Because of the generous gifts of our supporters, we care for the greyhounds that other rescues turn away.**

*Because you cared,*

*Tony has his second chance.*

It's sad but true. Not every shelter has the resources to handle the tough cases, the greyhounds who deserve a second chance the most. But with your help, we will continue to be that special place that takes in the greyhounds no one else will.

### **Greyhounds like June.**

June spent her life outside, having litter after litter of puppies. Things got even worse when her owner passed away and no one was left to care for her. Local rescues were contacted, but because she was heartworm positive, no one would help her.

Just when it seemed like June was completely unwanted, Fast Friends stepped in. June, along with five other heartworm-positive greyhounds, are now safe with us, getting the treatment they need. Curing a greyhound of heartworm can be expensive. **But because of supporters like you, these six greyhounds will get well and be placed in loving, forever families.**

Please sponsor the Road Race & Pet-Friendly Walk and give more greyhounds like Tony and June the second chance at life that they deserve.

Gratefully,

Sharron Thomas  
Executive Director

P.S.: Please sponsor the Road Race & Pet-Friendly Walk so that Fast Friends can continue to care for retired racing greyhounds like Tony and June.

## Sponsorship Opportunities

**YES!** \_\_\_\_\_ will help change the lives of retired racing greyhounds. We'll be a \_\_\_\_\_ sponsor.

Please make your check payable to Fast Friends and send it with this slip to PO Box 10093, Swanzey, NH 03446. Please visit [www.helpinggreyhounds.org/Race-Sponsors](http://www.helpinggreyhounds.org/Race-Sponsors) to use a credit card or PayPal.

---
